## STUDENT LETTER EXCERPT

My name is Emily. I live with my parents and brother and sister in a nice house with a little garden. Family is very important to me. I like pets, especially cats but unfortunately we only have some goldfish. My hobby is figure skating. I'm training up to 4 days a week, before competitions. I also like dancing and swimming. In my winter holidays we always go skiing, and in my summer holidays we go to the seaside. I love swimming and snorkeling. But I would also love to try news Sports in the US. I like painting and drawing pictures and going to the cinema or shopping with my friends. I'm very interested in other countries, but the USA have already fascinated me for a long time. I am raised religious and sometimes I go to church with my family. I would be happy to have a brother or sister as part of your family.

## PARENT LETTER EXCERPT

We are Stefan and Annette and we are the parents of Emily. Emily is our eldest daughter. She is very responsible and reliable. It is her great wish to go on exchange and we are sure she will manage it very well, although we all will really miss our little girl. She likes children and animals, but we don't have any pets here. Emily doesn't have a lot of duties at home, although she is always helpful. She is responsible for her own room, and it's always very neat. Sometimes she takes care of her sister and brother, helps me cooking and baking or she helps with other duties in the household. In her spare time Emily likes to do figure skating, but she'll also be very happy trying something new. Emily is very honest, friendly and uncomplicated. She never drinks alcohol or smokes.
