STUDENT LETTER EXCERPT

My name is Pakjira and you can call me Folk. I am in a big family. There are 6 people; mom, dad, 2 uncles, grandpa, grandma and me. I have 2 dogs which are beagles. Their names are Waffle and Brownie. Sometimes, I watch UEFA Euro or FIFA World Cup match with my dad, uncles and grandpa. So I should get up around 1-2 a.m. Although I am so sleepy, I am so happy when I watch the match with my family. I love diving and playing badminton. I love drawing like a Japanese comic style, painting water coloring. Furthermore, I usually draw pictures in my computer. On holiday, I usually make some desserts such as lemon tart, chocolate lava and cookies. I like to do this because I am so glad once I see everyone happy to eat some desserts that I make. I want to travel, see and experience many things, different food and absolutely snow.

PARENT LETTER EXCERPT

My daughter, Folk, is full of energy, joyful, generous. She likes to help people loves to participate in a lot of activities such as cooking, painting, biking, diving and learning history. In the future, she wants to be a history teacher because she is interested in history so much. My family is warm family. My husband likes gardening and growing many vegetables. He also raises chickens. We have 2 dogs. My family loves to travel to national park, diving and visiting museums. There are a lot of interesting places in Thailand. I would be grateful if your family would visit Thailand. I hope that my daughter will have a great opportunity to live with your lovely family and have a successful academic year. Thank you so much.

BECOMING A HOST FAMILY

We are looking for families just like yours – who are willing to help a high school student's dream come true!

- Our families are interested in other cultures and will experience them first hand by opening their heart and home to one of our foreign exchange students.
- Show generous hospitality, understanding and enthusiasm that will build lasting relationships with international students from around the world.
- Seek the experience of a lifetime and travel the world without leaving home.
- Experience our country through different eyes and help make a difference in the world.
- Students become part of your family and become like one of your own children.
- Receive strong support from a local Community Representative and Regional Director.
- Provide a loving home and meals for the year.
- Exchange students have their own insurance and personal spending money.

NOTE: Student photos are available after host families have completed an initial application. (This image is NOT the actual student.)
