STUDENT LETTER EXCERPT

My name is Petcharat, you can call me Poppy. I love to draw specially woman figure and water color landscapes. Yes, I want to be a fashion designer because I always imagine about what woman should wear and I love 1800's fashion. Absolutely I love costumes. My hobby is making cosplay. It looks like fancy dress but it's not. My favorite music is rock because its rhythm is very strong and my favorite bands are One ok rock and Fall out boy .Sometimes, I listen to pop music and my favorite are Halsey, Katy Perry and Taylor Swift. I have 4 dogs. My family has dogs since I was 3 years old. They're very adorable and cheerful. They're my precious things. I go to school by bicycle with my dad because my family doesn't have a car and I feel fresh when the wind blows to my face in the morning.

PARENT LETTER EXCERPT

My name is Lily. I am Poppy's older sister. This letter is written by me because our parents cannot use English. As I always tell my sister that the USA is one of the coolest countries in the world from my own experiences of being a foreign exchange student. When other people look at my sister, the first thing they might judge her from outside is that she is a harsh girl, but, in reality, she is soft and sincere. Poppy is a nice and friendly person, but she is straightforward sometimes. She has many friends and her society is quite wide. She is a very easy going girl and love to do everything by herself until that thing has done. She does not easily give up when she has certain goals. She has so much self-confident and strong belief that is very hard to change her mind.

BECOMING A HOST FAMILY

We are looking for families just like yours – who are willing to help a high school student's dream come true!

- Our families are interested in other cultures and will experience them first hand by opening their heart and home to one of our foreign exchange students.
- Show generous hospitality, understanding and enthusiasm that will build lasting relationships with international students from around the world.
- Seek the experience of a lifetime and travel the world without leaving home.
- Experience our country through different eyes and help make a difference in the world.
- Students become part of your family and become like one of your own children.
- Receive strong support from a local Community Representative and Regional Director.
- Provide a loving home and meals for the year.
- Exchange students have their own insurance and personal spending money.

NOTE: Student photos are available after host families have completed an initial application. (This image is NOT the actual student.)
